N. L. Dalmia Institute of Management Studies and Research : Guest seminar on investment approach

The Finance Forum of N. L. Dalmia Institute of Management Studies and Research invited Mr. Vipul Sharma to deliver a session on Investment Approach on 27th July 2019. Mr. Vipul Sharma is the Institutional Sales (Equities) Head at SMC Global Securities Ltd.
 Mr. Sharma started his session by throwing light on how Indian Economy has outpaced the World Economy in terms of growth, making it an attractive avenue for investment. The reasons attributed to this growth, according to him, are Proactive Government Reforms like GST implementation, revised IBC Framework, Financial Inclusion, etc.

While investing, it is a general practice to undertake the Top-Down approach. But while doing this we often concentrate more on the macro-economic factors such as GDP, Fiscal deficit, inflation and ignore the factors driving them.
 Mr. Sharma explained the approach at SMC which involves analyzing the factors like - economic cycle and which level of the cycle will benefit what sector, what future plans the management has for enhancing the profitability, how efficiently are they using the capital

employed, at what level is the company leveraged, how the company is taking care of the competition and risks like business, liquidity, valuation and management risks. He highlighted that management risk is intolerable as an incompetent management can change the fate of a company.

The session ended with a Question and Answer session between the students and the guest making it a knowledge enriching session.
